## FloridaCottonCo.com Partners with Whiskey & Pearls in Stuart, Florida

FEBRUARY 28, 2018, STUART, FLORIDA – [FloridaCottonCo.com](http://FloridaCottonCo.com) is delighted to announce a new retail partnership with Whiskey & Pearls — an artisan jewelry boutique owned by local artist Bobbi Twohey, located at 555 S. Colorado Avenue in Stuart, Florida.

[FloridaCottonCo.com](http://FloridaCottonCo.com) imports fine cotton, linen and silk apparel from impoverished artists in the Middle East. “Like Bobbi’s beautiful jewelry, our clothing is handmade, elegant and versatile. We were comfortable from the moment we entered her boutique. Bobbi’s warmth and casually elegant style is the perfect retail environment for our products. We are thrilled to have an opportunity to embellish Bobbi’s artistry, with our clothing.” said Riad Shalaby, Founder of the Florida Cotton Company.

Whiskey & Pearls combines Bobbi’s passion for fine art and interior design with her discriminating eye for fashion. Her jewelry fuses rough-cut, semi-precious stones into stunning one-of-kind, necklaces, pendants, bracelets and rings. She complements her jewelry collection with clothing and fine art. “We are delighted to incorporate authentic Egyptian Caftans and Boleros into our boutique. These items are naturally elegant, easy to wear and complement our jewelry,” Twohey stated.

[FloridaCottonCo.com](http://FloridaCottonCo.com) launched its online store last fall — providing simply elegant casual apparel to the American public, opportunity for impoverished women in the Middle East and much needed food for less fortunate children living in our neighborhoods. The partnership with Whiskey & Pearls initiates the company’s retail distribution strategy. “We are only targeting one or two discriminating boutiques in each micro market. Our goal is to build long-term relationships by providing our partners with competitively distinct products, accompanied by a rich set of marketing services to help drive incremental revenue. Collaborating with Whiskey & Pearls is an exciting way to introduce ourselves to discriminating women in Stuart, Florida.” Shalaby continued.
